

A Memorable May ! End of term celebrations & events

At the Pre-School...

Music Recitals

Thank you for the music ! The songs that our little stars performed with enthusiastic actions put a smile on everyone's face. The short sessions on the 13th & 14th of May were enjoyed by all and gave our little ones a chance to showcase their talents for Parents.

Splash Party

Water -Water -everywhere and lots of children in their swim wear - made it an absolute fun day !! On Friday, 21st May , our little tots kept the heat at bay by splashing in the paddle pools and keeping cool.

Games Morning

It was all about fun & games on Monday morning when the children had the morning planned to play treasure hunt, passing the parcel, blowing bubbles and many more fun activities through the day.

Mini Carnival

Saying good-bye with a bang !!! We ended our term with a mini carnival where our Pre-schoolers enjoyed many festivities, complete with games & yummy treats. A perfect end to a term that has been packed with fun& of course lots of learning.

At the Lower Primary school...

Musti Morning

On 14th May, our students enjoyed a fun filled 'Musti Morning' which was organised by our parent volunteers. There was a variety of games and delicious food . A BIG Thank you to all the mums for their effort and hard work.

Board games

All the students at the Lower Primary had an exciting day with board games on Monday, 17th May. The children swapped games , took turns and played in teams ,displaying great team spirit .

Slumber Party

On Tuesday 18th May, the Lower Primary school held a 'Slumber Party'. It was a wonderful sight to see all the children and teachers come to school in their night suits and pyjamas. They brought along blankets, soft toys, sleeping bags & tents to create a great ambience and prepared delicious breakfast treats aswell.

At the movies

On Friday, 21st May the Lower Primary students went to the Cineplex to watch 'Jungle Book 2'. It was a fun event where everyone enjoyed eating popcorn and watching this much loved classic which will also be the theme of our next Junior concert !

Pool party

Our Lower Primary school children had an opportunity to cool off at a pool party on Wednesday 19th May. They played water games, splashed around and enjoyed snacks and music by the pool side. Our teachers jumped into the pool as well and that added to the thrill of the party !

Wishing everyone a very Happy Summer holiday !

At the Upper Primary & Secondary school...

After a successful academic year , we decided that the last two weeks of school must be filled with fun activities & excitement for all ! Our "Fun & games Committees" planned an array of various activities. These varied from watching movies , swimming , throw ball & table tennis matches to organizing & hosting events .

Jamming Session

Our school band performed live at this term's Second "Music Jamming Session" on 19th May. The band kept the whole school captivated & moving to the string of hit songs performed live! These famous musicians in the making have come a long way since they started band practice at the start of term!

Links Canteen

The soft opening of our School canteen took place amidst much fervor and excitement on the 12th of May. Our students queued up & patiently waited for a taste of the sandwiches, pizza's & cupcakes. Drinks included a variety of flavoured milk & juices. Next term we look forward to expanding our menu to include nutritious goodies!!

Field trips

Class 4 & 5 students had a fun filled outing to the P.A.F museum. They were thrilled with the rides and games and most of all having a great day out with their classmates & teachers. Our class 6 & 7 students went to the Maritime museum for their field trip. They thoroughly enjoyed what they saw and some students were so motivated they even decided their future professions during the visit !! Our Class 8 & 9 students visited the National Museum . As a treat for working so hard, we planned an extra field trip for our Secondary students to the "Arena" . Unfortunately, due to the security situation in the city, we had to postpone this trip untill next term.

ICT Presentations

Our class 4 & 5 students did an impressive job preparing their Computer presentations. We invited parents to view their fabulous work during the last week of school. We are so very proud of our class 4 & 5 technical whiz kids who left us speechless with their display of expertise on software applications like Microsoft Excel, Paint and Powerpoint.

Class Parties were a festive end to the academic year. Our students organized talent shows, contests, lots of games, good food and music. The Secondary School students planned their own Pool Party. They enjoyed lounging by the pool , eating scrumptious snacks & listening to some rocking music!

Links Parent association We are delighted to have taken the initiative to form our school's first official "Parent Association". The first meeting was held on 22nd May and we were thrilled with the enthusiasm and turnout. The agenda for our first meeting was to nominate and elect the 'steering committee' for the next academic year. The list of the Steering committee and sub committees will be provided to all parents in August. As a school and as parents our aims and goals are the same – we want to provide the best for our children – Hundreds of research studies show that "when parents are involved in their children's education at home, they do better in school. And when parents are involved in school, children go farther in school and the schools they go to, get better". We are keen to promote and strengthen our school/ home partnership , which we are convinced will produce a progressive school community. We are confident that your active and positive support will contribute greatly towards establishing even higher standards at Links.

A Sneak preview at next Term's plans ! Our Lower Primary students are thrilled to hear about their new Science Lab, Computer Lab , extended Library & smart clever boards that we also introduced at our Senior section. Our class 8 & 9's students are ecstatic that we have planned a memorable foreign class trip to Egypt next term. We are also very proud to announce that from next term , we are ensuring our class 9 & 10 students fulfill a certain number of compulsory 'community service hours' every term.
