Dear Parents,

As another triumphant year comes to an end, we would like to acknowledge and applaud the unwavering and constant labours of our able staff, and of you, the parents! It is, in fact, the team work of the two pivotal roles that has concluded in the shape of the Annual Report Cards.

The stupendous outcome of the year's efforts urges us to recognize the hard work put in by not only our competent staff, but also by our students, who have given us reason to feel great pride. The process of education is an invariable course, one that needs absolute sincerity and perseverance to bring about. It is an amalgamated feat accomplished with the mutual support of students, teachers, parents, administration and an amiable environment. Once again, we would like to mention your laudable cooperation without which we could not have achieved this year's invigorating success. For this, we express our heartfelt gratitude and hope for the same enthusiasm and encouragement for the future.

With the summer holidays having started, we encourage our students to relax and unwind and at the same time engage in interesting activities that will prove helpful in bridging the gap between the end of one school year and the beginning of the next. We also take great pride in wishing all the best to our 18 MUN delegates who leave for Geneva to represent Links on the 4th of June.

Lastly, we look forward to the imminent dawn of the new academic year with fresh hopes and expectations.

Have a smashing summer !

EXTRA CURRICULAR ACTIVITIES @ LINKS

At Links, we believe in developing the “whole student”. Extra curricular involvement is a key tool in this personal development. A wide range of extra-curricular activities exists in our school, meeting a variety of student interests.

Here are a few glimpses of our students engaging in additional activities after school this term.

FROM PRE-SCHOOL

SING-A-LONGS

“Music is well said to be the speech of angels.”

And that is exactly what our little performers looked like dressed in coordinated outfits of white and pink.

A delightful performance was enjoyed by all our parents at the Pre-School’s sing-a-longs. Our little stars were eager to perform and belted out their favourite songs to an equally enthusiastic audience. The catchy rhymes and songs had everyone tapping their toes and cheering for more.

MOTHER’S DAY 2013

“A mom’s hug lasts long after she lets go.” ~Anonymous

To celebrate Mother’s Day all the Preschoolers decided to give their mom’s a treat by trying their hand at some peppermint scrub. The school smelt delicious and refreshing whilst the children were busy pounding and mixing all the ingredients. The end result a small token of love for our most favourite person in the world – Thank you Mom!

SLUMBER PARTY

A sight for sore eyes – all the pre-schoolers dressed to sleep. In the cutest of pyjamas with their stuffed toys and blankets, the tiny tots had a sleep over followed by delicious ‘halwa puri’.

MINI CARNIVAL

With different game stalls and yummy food to eat the mini carnival at Pre-School was a lot of fun for all. From games such as ‘Find the coins’ and ‘Ring the articles’ to the hit ‘Crazy hair stall’ A great time was had by all.

Our Carnival was small in size but big in fun!

LIGHTS, CAMERA, ACTION!

With the lights dimmed low and armed with popcorn, all the pre-schoolers assembled in the hall to watch a movie and what fun they had doing so with all their friends.

NEW ADDITION TO THE LINKS GARDEN

Our resident pets – Toto and Leo, the 2 tortoises who can be seen eating their way through our garden, are proud (we assume) parents to Teeny. Having them in our garden has given way to many stories and discussions about looking after pets and developing in our children a sense of responsibility.

MOTHER'S DAY @ LPS

"A mother's love for her child is like nothing else in the world. It knows no law, no pity; it dares all things and crushes down remorselessly all that stands in its path." ~ Agatha Christie

Celebrating Mother's Day in a unique way is very easy to do. All that one requires is some imagination and creativity. And yes, another essential for a memorable and a different Mothers Day celebration is thinking from the heart. Since Mother's day was on the 12th of May this year the students took home wonderful crafts to their mothers which they prepared painstakingly and fondly with the help of their teachers. Face scrubs, napkin holders, pocket sized mirrors, clothes hangers or scarves were sent home along with a personalized card expressing their love.

END OF TERM POOL PARTY

Hectic but fun!!!! That's how the last week at LPS could be put in three words. The events kicked off with the students of Prep – Class 2 enjoying their Summer splash Pool party all ready to beat the heat.

TALENT SHOW

Monday, May 27th marked the LPS Talent Show. A variety of talents were showcased including gymnastics, singing, ballet dancing, roller skating, playing musical instruments and the mimicking which was the best part of the day. All of the performances highlighted the truly gifted and talented group at LPS.

SLUMBER PARTY

The slumber party was held the next day and the students enjoyed a scrumptious breakfast of cereals, eggs, breads, sausages, hot chocolate and juices. Students and teachers came clad in their pyjamas and fully-equipped with sleeping bags, tents, torches and stuffed toys. The party was a ton of fun and a great way to hang out with friends.

Lights, Camera, Action!!! The students watched Tad, Mega mind, Croods and Ice age while enjoying popcorn and juices. Our little chefs had a cook out where they brushed up on their culinary skills. They prepared cucumber boats, chicken cheese balls, spaghetti Bolognese, potato cocktail sticks and mini pizzas. They learnt so much more than just cooking in our kitchen, like life long skills such as team work, planning and making smart choices. We worked together to accomplish tasks and talked about eating healthy and the importance of good nutrition. Just imagine your self-confident child asking if he or she can cook dinner for you one night soon.

CLASS PARTY

What better way to end the year than a class party!!! The students and staff dressed in their Hawaiian attire joined together for a fun filled morning of festivities to mark the end of a fantastic year and the start of our summer vacations.

We are grateful to our senior most batches at LPS whose hard work and positive attitude across the term is appreciated; they will be truly missed as they will now be moving ahead to UPS. It has been a brilliant year and, with it successfully wrapped up, we are now even more excited about kicking off a new one in August 2013.

HAPPY HOLIDAYS!

FROM UPPER PRIMARY & SECONDARY

CRAZY HAIR & HAT DAY

As Final Exams came to an end, an air of freedom and sheer joy could be sensed around the campus as students left for home. On the 24th of May, they arrived at school to celebrate their first day of fun with their friends and teachers. The theme of the day was “Crazy Hair and Hat Day”. Indeed, quite a few crazy hairdos could be spotted around the hallways and some really offbeat hats as well. The students enjoyed each others’ company and exhibited their crazy touch for all and sundry to admire.

TALENT SHOW @ UPS

The UPS Talent Show was held on the 27th of May. Students came prepared with their acts eager to display their talents to their friends and teachers. The highlight of the day was the fantastic magic show performed by Class 5 girls. In the latter half of the day, students engaged in sports activities as even the scorching heat could not keep them in.

CLASS PARTIES

Finally, it was the last day of school. The students came dressed to impress and brought scrumptious food items for their traditional year-end class party. It was indeed a very joyous moment for them as they celebrated the end of a successful academic year and made promises to one another to keep in touch over the summer holidays.

**BEST WISHES TO EVERYONE
FOR A GREAT SUMMER!**
